Based on a survey by HARWICH HAVEN AUTHORITY on 21st March 2019 with additional soundings on behalf of W&FYC on 30th April 2019. Approximate depths in metres reduced to Chart Datum Harwich .
This sketch is for guidance only and is not to be used for navigation.
Depths are subject to constant change and will be different from the values shown in the sketch. Channel boundaries shelve steeply, be aware of strong tidal flows generally and especially on the ebb where the tide sets onto the Mussel Scarfe between buoys No.9 to No.10. Use extreme caution throughout this area. Neither Harwich Haven Authority, Walton & Frinton Yacht Club or the publisher accept any liability for the use of information contained in this sketch.
